Dear Club,

I thought I'd write in and share a glorious story with your readers who I know would appreciate and understand that a man needs to relax in a certain way and those ways can be precious moments...

It had been one of those days! Puncture on my bike on the way into work and then loads of strife in the office. By 6pm I'd had enough and really needed to unwind.

Luckily, when I'm desperate for some immediate stress relief of a very special nature I can ring Steph.

Steph's an ex-girlfriend from a few years back who is always up for a good shag no matter whether she's dating someone or not. In her mid twenties, Steph has a body to die for with big firm boobs, slim waist and long, long legs that feel real good when wrapped around your body in sweaty embrace.

Thankfully she was in when I rang and told me to come straight over.

As she let me into her smart city flat she handed me the bourbon and coke with ice she had waiting and I followed her into the lounge, eyeing her gorgeous rounded arse wiggling deliciously beneath the long blue bathrobe she was wearing. Knowing me better than most, Steph had on a nice pair of high heels that clicked sexily on the tiled floor as she went and sat down on the leather sofa and patted the cushion next to her.

I kicked off my shoes and slumped next to

her, taking a long swig of my drink. Steph leant over me and her musky perfume overpowered my senses as she pressed her full red lips against mine and slid the tip of her tongue into my mouth. I kissed her back as my cock slowly swelled.

As Steph pulled away I peered down at her chest. The robe had conveniently parted and those awesome tits were crying out for attention. I sucked one large swollen nipple into my mouth as Steph placed her hand over my bulging package and squeezed. Nibbling her nipple, I moved my hips slightly so she could open my trousers and delve into my pants for my meat.

I sighed with pleasure as she dragged my prick clear and slowly masturbated the foreskin back over my knob. I gripped her breasts with both hands and flicked my

tongue from one nipple to the other as she wanked me faster. I desperately needed her mouth around my manhood and Steph obliged, sinking her lips down over my tool until they rested on the base of my staff. The wet warmth and sucking action made the problems of the day melt into nothing as I pushed my hand between her legs and eased a finger into her already gooey slit.

Steph moaned through a mouthful of cock as I pushed another finger inside her slippery tunnel. I needed to taste her sex and I grappled her off the settee and onto the carpet swinging her body on top of mine in a classic 69.

She ground her hairless twat into my face until my tongue and half of my nose were buried in the soft folds of her fanny. She

“ She ground her hairless twat into my face until my tongue...”

was soaking wet and her juices dribbled in a constant trickle down my throat as I swirled my tongue hard around in her sodden mush, slurping obscenely for effect so Steph would climax nice and quick. My noisy performance worked a treat as with a shudder her whole body tensed and an orgasm exploded through her. A tidal wave of cunt liquid squirted out of her hole into my mouth and I gulped it down, frantically groping her tits as I did so.

With Steph still panting wildly, I pushed her off me and grabbed a slim ankle in each hand, dragging her shapely legs wide apart. I leered at the glistening wetness of her gaping pussy and positioned myself in between her thighs. Looking her in the eye I licked the hard spike of her stiletto, smearing my saliva and her fanny juice all over the black patent leather. Steph liked it when I worshipped her shoes and dug the point gently into my shoulder as my tongue ran all over the surface of her footwear.

My prick was aching for pleasure by now and Steph helpfully guided the bulbous end of my meat into the entrance of her gash. It felt instantly at home and I pushed forward, sinking the staff all the way in until my balls were knocking on her bumcheeks.

Steph wrapped her heels around my neck and I slipped my hands beneath her arse as I started to fuck her properly. Grabbing handfuls of her nicely upholstered bum, I thrust inside her, tickling her tight buttocks with a finger as I banged away. Steph likes to get loud, and started thrashing around on the floor and grunting as I hammered up her faster and faster.

We rolled around on the floor as our fuck grew more and more frantic, until with a finger embedded up her arse I lost

control entirely and fired my wad deep inside her slit. Jammed up to the hilt in that lovely cunt I came, sweat dripping from my face onto her tits.

I rolled off her onto the carpet and watched as Steph stuck her hand in between her legs and collected the spunk oozing from her crack. Kneeling beside me, she smiled and showed me a cupped hand of my thick white come. Steph lifted the goo to her open mouth and tipped it in, letting it dribble over her lips and drip onto her heaving breasts.

As she rubbed my jizz into her boobs and licked the globules of sperm up from around her mouth I felt my deflated prick lazily pulse its appreciation.

Toby, Bury.

“ I thrust inside her, tickling her tight buttocks with a finger...”

In the summertime when the weather is fine Ree Petra enjoys nothing more than slapping on the suncream and laying herself out to the sun's rays in a teeny-weeny bikini. We can think of nothing better than cracking open a beer and

watching this gorgeous lady sun herself on the lawn. It also turns out much to our delight, that Ree isn't a fan of tan lines and got her kit off fairly quickly. It was a good thing we had an ice cold drink on hand to cool ourselves off.

TOTAL RECALL

Dear Total Recall,
Once upon a time, roughly fifteen years ago I picked up my first ever
issue of Club Vol 30 No.3, which I still have today, tucked away on a shelf.
As I made my way through its pages, I stopped dead on the exotic Alexa,
who's water soaked body and pert arse instantly brought me off. It would be a real
pleasure to see Alexa again in your Total Recall section for others who might have
missed it at the time to enjoy.
Henry, Gateshead.

What's brought Courtney to the locker room?

I was in need of a bit of pampering, so I've indulged myself in a spa day. I'm booked in for a massage after this shoot, followed by steam and bubbles.

Well yes, but I was referring to the champagne I'm going to be sipping while in the jacuzzi.

Courtney's clearly a girl who likes to enjoy herself in style, and later we hear the

Google Wifi

www.google.com

When it comes to Wi-Fi setup a lot of companies like to make their products as complicated as possible, driving you to turn the instruction booklet into confetti. But the latest Wi-Fi mesh system from Google has made setup a breeze even with two extra units (single price £149.99) and a price tag that won't make you consider your children's future education. There aren't lots of buttons. Instead, everything is easily controllable through the app, which has functions like bandwidth priority control and device suspension, laid out in an easy to use and logical manner. This is an excellent product if you're prone to dead spots due to the multiple units, which could turn your home into a wifi machine.

Tentsile Flite

www.tentsile.com

Do you remember the days of lazy hammock swinging in the summer heat? Well, why not indulge your inner child with this specialist suspended tent. The Tentsile Flite is a descendant of the 2013 Stingray, which enjoyed extreme popularity. Essentially it's a suspension pod that uses three tie points, typically trees, so finding the right spot can take a bit longer than with a conventional tent. But, some excellent news is that the weight has been reduced dramatically to 7.4lbs from the Stingrays 18lbs. This is due to the fact that Tentsile has reduced the number of ratchets from three to one. A great piece of kit for wild camping and much more comfortable than sleeping on the ground.

The Ham Dogger

www.firebox.com

What in the name of God is this meat machine? That is a very good question and one that we aren't entirely sure of the answer, just yet. So let's break it down into edible misshapen chunks that you might contemplate disgusting. The Ham Dogger is a gadget that helps you turn burger mince into a hot dog shape with a stuffing channel. So effectively you could make a sausage shaped burger with a garlicky cheese centre. Sounds good in principle but is, in fact, disastrous and not that appetising. It would be much easier just to make a burger stuffed patty. As an end result, our food looks like it has already completed its journey through the body, and the instructions left us scratching our head as to what goes where. A bizarre gadget that we couldn't get our grips with, even if the shape seems overly familiar.

Roxana
PHOTOS: DAZGLAM

There's no red light with Roxana; it's all go, go, go! As the net-clad model lets us into her garden, but we weren't snapping away at her begonias that's for sure.

"I'm big on gardening and also taking my clothes off in front of the camera, which seems to go hand in hand."

Do you do the old bit

of digging in the nude then?

"Oh yes, all the time. You see I'm not overlooked here, so I'm not going to offend the neighbours."

We can't imagine the neighbours ever being offended by the sight of a stripped off Roxana. In fact, we think they'd be climbing over the gate to get a better look.

The young and long-limbed Emily Boom has got quite a roll call to her name already, including Playboy's Thong Thursday. The model, actress and singer likes to keep herself busy but can often be found relaxing by the pool.

"I totally need to wind down sometimes, and there's nothing like just floating in the pool. Which, seeing as I live in LA with all this amazing sun about is easy enough. Mind you I do have to slather on the sun cream."

Now there's a fantasy in itself, rubbing in some factor 30 to every nook and cranny of this porcelain beauty.

Orgy Deluxe

Marc Dorcel

Starring:

Gina Gerson, Aisha, Cassie Fire, Courtney, Tyra Moon, Zazi Skymm, Tiffany Doll, Sabby, Anita Bellini, Shona River, Mr Clark, Kristof

Cale, Thomas, Randy Coole, and Renato.

Synopsis: For Tiffany's birthday, all of her wealthy friends have organised a secret party in one of their sumptuous villas. Knowing her taste in all kinds of pleasures, they've decided to give her the best gift ever: a massive orgy with no less than fifteen people, including nine of the most beautiful European performers around. Wet blowjobs, lesbian duos or hardcore threesomes, anal sex and double penetrations, nothing is left to chance so that Tiffany remembers this birthday for a very long time

Verdict: You may need your own glass of champagne in order to pluck up the courage to watch this mind-blowing orgy of epic proportions. There's no Marks and Sparks cake or party rings in sight, as Tiffany's birthday gets underway and all her super wealthy friends decide to party harder than 1999 at a secluded villa complete with lake. As the party guests saunter in one after they other on some very nice wheels, it becomes clear the totty on offer is very high calibre and the lucky lads that get to plunder this treasure trove of beauties are already hard

and waiting. There's so much going on in this 80 minutes fuck fest brought to you by director Franck Vicomte, that it's hard to know what to concentrate on. A sophisticated Maggie of a porn film.

Conflicted Wicked

Starring: Jenna Sativa, Casey Calvert, Cassidy Klein, Lucas Frost, Ryan McLane, and Michael Vegas.

Synopsis: Self-centered and sex-addicted

Ursula (Cassidy Klein) takes her life and her husband (Jimmy) for granted. That is until her guardian angel shows up and warns her of her future, by showing her a vision of her husband leaving and marrying her assistant. Old habits die hard, though, as Ursula continues to bang and blow her

way with an array of strangers. Can they work it out or is the angel wasting his time?

Verdict: This isn't quite It's a Wonderful Life the porno, but it does have guardian angels in white suits, that drop in to show Cassidy Klein the error of her sex-obsessed ways, before her marriage is completely ruined by her lust for every prick going. So with a second chance in her grasp, Klein switches to some girl-on-girl action,

but her Guardian isn't even happy with that. He really does mean to bring this nymph to heel, but she just won't learn her lesson and uses a catch in the logic "those who don't learn from the past are doomed to repeat it", to fuck the entire bar with no strings attached the little minx. Eventually, Klein does learn her lesson, and Jimmy gets to enjoy his wife, and not as sloppy seconds may we add.

On a perfect Tuesday morning, we were confronted with the arresting aroma of cooked bacon and coffee when we arrived at Roxi's. It turned out she'd been busy in the kitchen making us something to nibble on, bless her. So it will come as no surprise that the kitchen seemed like the best place to capture Roxi and her naughty antics. So once we'd got all the cooking jokes

out of our system and stuffed our faces with some delicious fodder, our photographer got down to some serious snapping, Roxi opened up and about her love of a good meal that can be shared.

"I suppose the same goes for these naughty pics, there so much better shared. It makes me horny just thinking about it!"

It's clear that Roxi has all sorts of meat on her mind...

Club was recently thinking of running a fitness spin-off, showing smoking hot woman working out in tight lycra. We are still ruminating on the idea and so thought we might give it a test run here with Tommie Jo who is definitely kitted out and ready to work up a sweat in Calvin Klein's.

So TJ how do you keep this amazing body of yours in such

peak condition?

"Well, I have a personal trainer who really likes to put me through my paces a couple of times a week. I'm always absolutely exhausted after, but some of it is because I'm careful with what I eat too. There's not a lot of takeaways going on in my house."

Short of a curry here and there, TJ looks like our perfect Club girl!

Talkin' Blue

AM-DRAM WHAM-BAM!

I've always been into amateur dramatics and since I've been in my twenties, it's been getting me more than standing ovations! It would take way too long to tell you all my dirty stories, so here are just a couple of horny moments.

One time, at an audition to join a theatre company, we were all asked to act out something that would usually make us feel awkward – just to see if we could be convincing out of our comfort zone. A few people played it for laughs and one bloke managed to make himself cry. So one of the other women my age, Sara – said we should snog each other.

Bitch that I am, I waited until we'd got into it, then during a pause for breath, I whispered in her ear, "Why did you assume I'd have a problem with this?" Then I stuck my tongue halfway down her throat. She freaked a bit but wasn't going to let me outdo her, and the next thing I knew, her hands were all over my tits.

It was like playing chicken – I had my hands down the

back of her jeans, clawing at her arse cheeks, and ended up with my T-shirt hiked right up, one nipple slipping out of my bra. That's when the panel told us to stop.

We both passed the audition – funny, that! – and later, at the pub I jokingly asked Sara how far we might have gone if they hadn't called a halt. She said maybe we should find out. I still can't say for sure what was going through her head. Maybe it was curiosity or something for her acting 'experience bank', maybe even a spark – whatever, we both ended up back at hers.

She took charge, leading me to her bedroom, where she sat me down and did a slow strip. All I can say is if her stage career goes tits up, getting them out could pay the rent. First she got herself out of her jeans – bending over and peeling them down her thighs. I noticed a few fading red scratch-marks on her arse cheeks from my nails! Then she shimmied out of her top and danced in her bra and thong, taking it as seriously as if she was in the West End.

I went to undress but she told me to stop. First she pretty much leapt on me and pinned me to the bed, mauling at my mouth like she couldn't resist me. Then, like she was showing her range, she kicked it down a couple of notches, kissing me tenderly, tongue flicking against mine like butterfly wings.

She was still in gentle mode as she helped me out of my top, nuzzling my boobs through my bra, then unclipping it at the back so they swung free. With her mouth on one nipple, she was pulling at my skirt – too tight-fitting to push up – and I wriggled out of it.

Now down to my knickers, I sensed a slight amount of nerves as her hand crept to my

crotch, stroking it through the lace and cotton, pressing her palm against it to feel my moist heat. Then she eased them sideways, fingers skimming my labia before dipping into my wet slit. She finger-fucked me, pumping two in and out of my cunt as she thumbed my clit. And her mouth was on mine again as she humped herself against my thigh, her free hand cupping my breast.

Just as the friction was building nicely, she pulled her fingers out and offered them to me to lick. I sucked one into my mouth, down to the knuckle, feeling my own wetness smear my cheek. Then I said, “Your turn to taste me.”

She sucked the other one dry, then lapped at my face. Then she backed down the bed and took my panties off before splaying my legs wide apart. I

humped, moved my hips, helped to position her fingers on my sensitive spots. Then she bowed her head, licked up and down my slit a few times before settling her mouth down on my clit. Softly, gently she sucked me. I knew I could cum from this but not quickly. Then she hooked two of her fingers, slid them deep into my cunt and found her target.

I won't say it's the hardest I've ever cum in my life, but it's close. Sara kept on sucking, tickling, trying to stay in place as I bucked against her. My snatch tightened, then spasmed, pleasure shocking its way through me. I put my hand down, wanting – needing – her to stop. I felt so tender, and she backed off. But not for long – next thing she was wetting a finger and slipping it slowly up my arse, tongue working my clit as my pussy ran

with juices.

It was an experimental night, both of us exploring, making the most of a one-off. And I had another one-night stand, straighter this time, a couple of years later. David – absolutely not his real name! – is a professional actor with links to the area I'm from, and wanting to 'give back', he became a patron of a local theatre.

One time, he was guesting in a fundraising show and with the production crew already run off their feet, I was asked if I'd “take care” of stuff like food, drink and running errands for him. He turned out to have a wicked but slightly weird sense of humour.

I opened wide and sucked the entire length of his prick into my mouth and throat."

His favourite thing seemed to be coming out with filthy comments in a deadpan voice. So when I knocked on his dressing room door and asked if there was anything he wanted, he said, "Beer... sandwiches... my cock spunking all over those glorious tits – is that a problem?"

I just shot back, "Only if the caterer's run out of bread."

He called me in and said he'd settle for spunking on my tits, moaning that it had been "ages" since his last "fucking good blowjob".

I didn't take him seriously – I wasn't even sure he was straight at that point – but he asked if a flash of my boobs was out of the question. I honestly don't think he'd have tried it on with some wide-eyed innocent, someone who'd have been afraid to tell him to fuck off. Not that I did – I flashed my bra at him.

"Now bare," he said and I obliged, taking off my top and walking over to him, letting them jiggle, keeping them just out of his reach. He was lounging in an armchair wearing a bathrobe, and I could see the front of it tenting.

I leaned down, placing a hand on his thigh just inches away from his hard-on, boobs swinging... then said I'd better get a move on if he wanted his sandwiches. He grabbed my wrist and said he'd rather me get on my knees and suck his cock. He said it in a slightly posh, slightly stern voice, one with authority, and I sank down right away, almost like I was obeying instinctively. My hair swept forward, like a curtain, and he moved it sideways to watch me play his tip over my lips.

I flicked my tongue out, giving his helmet sneaky licks, then I'd part my lips a little, letting the first inch slide in, before closing them again. He pulled on the back of my head, trying to coax me to take him deeper. "Do you mind, Sir?" I said, doing the stern voice myself and he flinched back, only to be taken by surprise as I opened wide and sucked the entire length of his prick into my mouth and throat.

"Shit..." he groaned as I started to gobble him, tickling his balls, working them against my chin. He reached down to get a handful of my naked tits, squeezing them roughly. I

didn't protest, as long as he was letting me suck him at my own pace.

Any time he seemed to be trying to hold back, I held off for a second, then sucked him with a vengeance, finally holding my head in place then, with one hand curled around the root of his prick, I let him thrust hard in and out.

I tasted the first jet, creamy-salty on my tongue, then he groaned that he wanted to spunk all over my tits so I leaned back, chest shoved forward as I used one hand to aim it all over them. I gave him a show, rubbing his mess all over my boobs and face, and he sat back, looking red and slightly flustered. Then he told me to get up. With a dirty grin, he pulled me forward and sucked some of his own jizz off each of my nipples, then he gave me a really gentlemanly kiss on the hand.

I sent a middle-aged bloke from the company up with the drink and sandwiches – told him to knock loudly first – and while I didn't avoid David during the evening, I felt myself blush whenever I saw him. I'd still love acting even if it wasn't getting me laid, but the fact it does is a nice bit of sauce!

Carlie, by email

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

LOO'D BEHAVIOUR

I'm writing to tell you about my first ever experience of anal sex. It all happened a couple of weeks ago at my local, which was packed as usual on a Friday night. I was halfway through a conversation with my best mate about buying an old Triumph he'd seen advertised when this girl walked in. She was a stunner, aged about 25, pretty and blessed with the kind of figure that wouldn't look out of place in the pages of Club. She was dressed in a short denim skirt, which revealed beautifully shapely and smooth legs and a tight pink T-shirt which clung sexily to a generously-sized pair of tits. Her hair was long and brunette and she looked a bit of a raver, way too cool to look in my direction. Or so I thought!

I caught her eye as she ordered her drinks – and she smiled right at me. I was a bit taken aback, but managed a smile and she gave me a naughty wink as she turned to leave the bar. I watched her arse wiggle away sexily.

She sat down opposite another girl and when she noticed me watching her she winked again.

About half an hour later I felt the need to train the weasel, so headed for the loo. Just as I opened the door I felt a tap on the shoulder and turned to see the very same girl smiling broadly at me.

"Do they sell condoms in there?" she asked. "The girls' room doesn't have any."

"Um, I'll check," I said, slightly taken aback.

I went in and to my surprise the little minx followed me and started studying the johnny machine! "Banana flavour, strawberry flavour or beer flavour," she read. "Mmm, beer flavour sounds nice." She put her money in and took her condom. Luckily the toilets were empty. "I've never sucked a beer-flavoured cock before," she grinned. Just hearing her say 'cock' in that smooth voice made my balls boil. "Shall we?" she then added, almost as an afterthought.

"Umm, shall we? Umm..." I wasn't quite sure what she meant until she pushed me into the cubicle behind and locked the door behind her. 'OK,' I said, deducing that this might just turn out to be a good idea. My cock strained to be released from my trousers. Here was the most beautiful girl I'd seen in a long time and she was blatantly offering herself to me. And she hadn't even told me her name yet!

Inside the cubicle she dropped to her knees in front of me, kissed my dick through my trousers, then slowly started to unzip me. She let my trousers fall to the floor and then pulled my boxers down, finally releasing my straining member. She stroked it gently, said "Very nice!" and smiled at me. Then she showed me a trick. She opened a condom, placed it gently between her lips and slid it straight onto my cock. It was amazing and I'd never seen anything like it before. She licked my entire length softly, then moved up and down for ages. She really did look like she was enjoying that beer flavour and the feeling wasn't too bad for me either. I

“The little whore then began to lower her shapely arse onto my dick.”

have to admit that I would have preferred it if she'd deep-throated me without a condom on, but I was hardly about to complain at the treatment being doled out by this total stranger, was I? She worked on my dick like a true professional, bobbing up and down on it, taking the full length and teasing the tip with her expert tongue, then letting almost my entire cock out of her mouth, before gobbling me up hungrily once more.

She stood up to kiss me and I took the chance to get to grips with her arse. I caressed it through her skirt and it was every bit as firm as it looked. I slid my hand up the skirt and realised that she wasn't wearing any knickers, more proof of exactly how slutty she was – as if I needed any more! The flesh of her arse was warm and soft. I could have felt it all night long and actually would have done if she hadn't pulled away.

“Her juices gushed out of her pussy and poured down over my balls...”

“So, you like my arse, do you?” she asked. I nodded “Okay, then,” she continued as she pushed me back onto the toilet and turned around to give me a better view. It really was gorgeous, round as a peach and just as good to eat by the look of it. She moved it sexily for me and even gave it a quick shake before bending over to expose her glistening cunt. She touched it, then smeared the juices up the crack of her arse. She then slid a tender finger into her tight arsehole, quickly followed by another. It was an absolutely incredible sight.

The little whore then began to lower her shapely arse onto my dick. My bell end touched her puckered hole and she let out a soft moan. We were both well-lubricated, her from touching herself and me from her BJ, so I slid in with relative ease, even though her arsehole was still nice and tight. Her arse gripped my dick like a pussy never had and as she slowly started to pump it felt as good as ever it did in my fantasies. I completely forgot where we were and let out a groan. Her pumping was slow and controlled and she moved her arse around in little circles, as well as up and down, giving me a real visual treat. She pulled her bum back up until my cock was virtually out, then slid it back down my pole again until I was entirely inside her each time. Her moans got louder and she'd obviously forgotten that there could be people outside. Or maybe she just didn't care. To be honest I'd stopped caring too and couldn't help moaning and groaning because of the fantastic feelings I was getting from fucking this gorgeous slut up the arse in a public toilet!

I felt my balls tighten and was sure I was about to come. To be honest I was surprised I'd lasted so long. I breathed 'I'm about to come' and she increased the speed and firmness of her arse fucking. Anybody standing outside must have heard her arse smacking down hard on my groin.

“I'm coming too,” she cried. “Oh fuck, oh fuck, oh fuck, I'm coming!” And with one final bang down on my cock we both came together in a fantastic double orgasm. Her juices gushed out of her pussy and poured

down over my balls as I pumped hot, thick come up her arsehole. It's hard to describe just how amazing the whole experience made me feel. My head was spinning, my breath was coming in short pants and my balls felt like they'd been completely drained. No sex I had ever had had felt like this. And from the satisfied moaning coming from the girl whose name I still didn't know, it looked like she felt the same.

When she'd taken a minute to compose herself she pulled herself off me, quickly rearranged her skirt and left without saying another word. I took a little time to regain my senses myself, then got myself together before going back into the bar. It came as no surprise to me that she had already left with her mate – and it turned out my pal had gone too, presumably thinking I'd already headed off myself since I'd been gone so long.

Of course I haven't seen the girl at all in the two weeks since this amazing event happened. But from now on I intend being in my local every spare minute I get, just in case that gorgeous slut ever comes in again! To be honest I'm starting to think that I probably won't, but as an excuse to go to the pub it's a damn good one!

Sonia 
PHOTOS: SCOTT WARD

They say the devil wears red, and this could possibly be true after taking a look at Sonia, who's seductive outfit is certainly ramping up the heat and creating quite a kerfuffle. Which, she seems to be enjoying with a mischievous smile as she slowly reveals what's underneath. If this is hell, then I'm hoping I get a one-way ticket.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Sexotics!

It looks like Westworld isn't a distant futuristic dream after all, as a sex doll brothel opens in Barcelona. But these aren't your blow up variety, Lumi models are specially crafted silicone dolls that are made to look and feel like the real thing, there damn expensive just like a real woman too. Lumi boasts you'll be able to fulfil your fantasies without limits as your invited to choose clothing and positions for encounters. This is now a

trending market, and American company Realdoll has been creating Harmony Artificial Intelligence, so one day your sexual robot encounters will be able to feature conversation. However, just like a phone, we hope they come with a silent switch.

Sat Nabbed!

Jewel thieves are thought to have only taken ten seconds to grab £20,000 of gold swag from a jewellery shop in Leicester, before jumping into a waiting Nissan and making their

getaway. A catalogue of dopey mistakes led to their arrest, from leaving two hammers at the scene complete with traceable price tags, which showed they had been purchased just 24 hours before. But when police recovered the stolen car, they hit the jackpot as they found one of the gang's members had programmed his address into the sat nav, which led officers straight to one of the suspects front doors. It bore all the hallmarks of a sophisticated robbery but proved more than amateurish.

Petrol Heads!

Things have been hotting up in Spain, and I'm not just talking about the climate, as one lucky policeman had a close call at a petrol station. A red BMW narrowly avoided mowing down the Civil Guard, and the petrol stations pump attendant, as the car lost control after clipping a kerb while swerving to avoid another car. The BMW ploughed through a pillar after veering away from the squad car, before skidding to a halt several feet

away. The entire debacle was captured on the station's CCTV, and eyewitnesses were shocked by the scene. By some unknown miracle, nobody was hurt, but police have questioned both drivers, but so far no charges have been filed. It looks like they ran out of gas.
